

OUR 2020 CURRICULUM

Smaller Membership Church workshops this year will provide each church that attends with 100 ministry ideas.

Why such a large number? Because not every idea will meet the needs or interest of every church.

What makes it different? We are trying to help facilitate ministries for the smaller churches and make it as easy as possible. Realizing that our smaller membership churches depend largely on volunteers, we have tried to structure the curriculum in a way that is useful for laity-driven ministry.

Can't you just mail us the book? Sure, we could... but we will also discuss habits of a healthy church and when we all join together, it strengthens our connection.
