CHILD ABUSE AWARENESS AND PREVENTION TRAINING & CERTIFICATION PROGRAM

Unfortunately, in today's society, children and youth are exposed to a growing epidemic of child abuse and molestation.

In addition, the places where children should be the safest such as churches, youth camps, schools, sports and recreational teams, youth-related organizations, etc., are often the very places targeted by child abusers since such organizations have programs where large number of children gather or participate.

TrainRight's state-certified program meets the Texas Annual Conference of the UMC's Safe Sanctuary compliance requirements and focuses on helping you better protect children and youth from abuse through our inexpensive, online, and easy-to-use program for training and certifying your employees and volunteers in recognizing the signs of child abuse and preventing occurrences of child abuse within your church organizations.

EASY-TO-USE WEBSITE

Provides your organization the ability to train and certify your employees and volunteers in child abuse awareness and prevention.

COMPLIANCE

The program provides you a streamlined method of complying with both the Conference Safe Sanctuary Policy and Texas requirements for training and certifying your personnel who work in youth camps.

GENERAL TRAINING

The program also is a great general training program for churches, schools youth-related organizations, sports and recreational programs where workers and volunteers come into contact with children and youth.
